 **Vehicle description**

Old Landcruiser (model KDJ95 with 3.0 D4D KDJ1 engine) Tested and proven with everything that sense for land cruising in South America. Permanent 4WD, 5 new AT tires (Yokohama Geoloandar GO15 year 2024; 15,000 km), new reinforced Lesjöfors rear axle springs.

Location: Lima, Peru! Available from Feb. 10, 2025, German registration, TÜV 10/26, TIP Peru until 05/2025.

Fully equipped camping tent with 4 sleeping berths: Two sleeping berths in the Howling Moon roof tent, two sleeping berths in the interior with folding lounge and folding mattresses, 4 sleeping bags down to -10 degrees, pillows, curtains, wind and rain deflectors on windows, fly screens, etc. Camping crockery, cutlery, three folding chairs and so on. Optional gas stove and 5 kg bottle.

Additional electrical equipment: second battery, 3 USB A and C charging sockets, 220 V on-board socket with 500 W inverter for (1000 W peak), car radio with Bluetooth, additional LED headlights with daytime running lights, high beam and position light, all via separate 200 A fuse. Dashcam front and rear with parking monitoring incl. 256 GB SD card.

Hardware: 4 Thule roof racks on roof rails, roof tent and transport box 175 L bolted, tool box, tow rope, additional hydraulic 3t jack, starter cable everything necessary for self-help on the road is included.

The vehicle was completely overhauled before shipment in October 2024,

New alternator, new rear axle springs, stabilizer bar, wheel suspension, timing belt, all fluids renewed (brake and clutch hydraulics, gearbox, differential, drive shafts lubricated, etc.). The vehicle is currently on the road in the north of Chile and will via Bolivia to Peru, the mileage will increase accordingly. The vehicle is regularly serviced and handed over with a fresh oil change.

Please contact Arnulf Bichler by PM, email or WhatsApp.
